Chair read the application for the CUP. ZA stated the notice for the public hearing was posted and letters were sent to the surrounding property owners. Letter from Lucy Sievers was read into record. Her letter requested that, if the dog park is approved, the Town hires and pays for a licensed surveyor to survey and mark the property line before construction of a fence. She also requested no parking signs be installed on the Middle Rd. side of the fence.

III. Comments from public. (Limited to 3 minutes each)

Paul Brummer commented: What are you going to do with bad pet parents, those that do not clean up after their dogs? If caught, will they be banned from the dog park, or will other more responsible dog owners clean up after them? I do not want to pay for town employees to clean up the dog park due to irresponsible dog owners.

Candace Sterling commented: Poop bags will be provided; there will be a garbage can to throw them in. Signs will be posted telling dog owners the rules.

Tori Moore commented that the members of their organization will clean the park before it is mowed.
