Re: February 2026

During the month of March, the La Pointe Police responded to the following:

42	Incidents/Complaints (calls for service)
5	Traffic Stops
2	Citizen Assists
0	Accidents
0	Civil Process
1	False Alarm/911 hang up calls.
1	Call Out
4	Animal calls
0	Parking Citations
1	EMS calls

Call volume remained relatively low throughout the month. Interim Chief Rossberger has returned to work.

Officers Rossberger and Williams are in the process of completing over 40 hours of online coursework to renew their Emergency Medical Technician (EMT) certifications. Officer Lindquist has enrolled in the EMT training program and is expected to finish soon. Having all three La Pointe officers certified as EMTs helps ensure consistent emergency medical coverage for the community. Their commitment to this additional training is commendable.

Officer Abbey Johnson continues field training under Officer Alan Lindquist and is showing satisfactory progress. Officer Adam Leask and returning Officer Richard Lakkonen have been scheduled for regular shifts on the island and will assist in reducing overtime.

We have started planning for the La Pointe Marathon and as of this report have commitments from WI DNR and Ashland Co Sheriffs to help.

Please contact me with any questions or if you would like to discuss departmental matters further.
